On-Site Trail Sponsor 1 Available

This trail proves not to disappoint as people would complete the trail and get back in line to run it again. Participants experienced hills, sharp turns, mud, and flexing in order to complete the trail. We had 3 different ways the trail could be completed so participants did not become bored with the same trail over the entire course of the weekend. This year we will look to add another trail and lengthen the original trail. Participants were very excited about this add on in 2024 and will be the perfect opportunity to advertise for your company.

For a donation of \$5,000.00

Exclusive sponsorship of the on-site trail ride.
